The Local Council of Women

Dear Friend of Community Healthcare,

The Local Council of Women has been evolving since the merger of Bloomington Hospital with Clarian, now Indiana University Health. We appreciate your past and present involvement in the work and mission of the organization! Our mission is to be a voice for community health and we do that through providing community health programming, sponsoring health related initiatives and awarding scholarships to local students pursuing health care professions. In order to continue these projects and initiatives, the LCW Board of Directors has discussed and voted to increase dues for 2021. Please see the new dues structure below.

If you have already paid your dues for 2021, THANK YOU! If you have not yet paid, please complete the form below and mail to the address provided. If you have any questions or concerns, email lcwbloomington@gmail.com.

Please mark your calendars for our Virtual Annual Meeting that will be held on Thursday, November 5th at 6:00pm. Additional details coming soon. Note: In order to vote at the Annual Meeting, dues must be paid and received 15 days prior to the meeting. We are grateful for your continued support!

Sincerely,

LCW Board of Directors
